Subject: ARARs - Rockford Paperboard, Rockford, MI

---

Jeff,

Below is a list of ARAR's that you requested in your letter dated September 7, 2011 for the proposed removal actions of containers considered to be hazardous for the Rockford Paperboard Site (Site) located at 7700 Childsdale, Rockford, Kent County, Michigan. The requirements are all part of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA) and include:

- Part 31, Water Resources Protection
- Part 55, Air Pollution Control
- Part 111, Hazardous Waste Management
- Part 115, Solid Waste Management
- Part 121, Liquid Industrial Wastes
- Part 201, Environmental Response
- Part 213, Leaking Underground Storage Tanks

For more details, please see the attached document which has a more comprehensive list including regulations beyond the environmental code as well as a breakdown of important provisions of the state's environmental code. I'm sure you will note in the attached document that with the recent and previous reorganizations of the department, the contact agency information is dated, however the code references are still valid. Please call me if you have any questions (616-356-0254).

Thanks again for your help!
